

Special Information About the Huntington Beach Air Show and Newport Cruise

October 19 – 21

(Reserve your slip now!)

This is going to be a great cruise for many reasons.

1. We are going to be based in the recently constructed Marina Park in Newport Harbor. 20 slips are available at 40', 2 slips at 50' (\$60.00 or \$82.50/night). Moorings are also available at far less cost, or boats can raft up. Concierge service including docking, shore power, pump out and other amenities are included with the slips.
2. **Slips must be reserved individually and it is best to reserve your slip as soon as possible before Sept 13. It will be first come, first served after that. Call the Dock Master (Ryan or Mitch) at 949-270-8159 and mention that you are with the DPYC Cruise.**
3. Arrive on Friday (optional). On Saturday afternoon, 8/20, we will anchor off of Huntington Pier from 1200 to 1600 hours to view the Breitling air show from our boats then return to Newport Harbor. Boats also participating in the Warriors on the Water event that begins at 1200 hours Sunday, should have plenty of time to travel to Dana Point Sunday morning to do so.
4. More detailed information will follow as the cruise draws near.
