

DPYC CRUISING NEWS

Huntington Beach Air Show and Newport Cruise

October 19 – 21

This is going to be a great cruise for many reasons.

1. We are going to be based in the recently constructed Marina Park in Newport Harbor. 20 slips are available at 40', 2 slips at 50' (\$60.00 or \$82.50/night). Moorings are also available at far less cost, but you may prefer to raft up of the East end of Lido Isle. Concierge service including docking, shore power, pump out and other amenities are included with the slips.
2. **Slips must be reserved individually and it is best to reserve your slip as soon as possible. It will be first come, first served basis. Call the Dock Master (Ryan or Mitch) at 949-270-8159 and mention that you are with the DPYC Cruise.**
3. Arrive on Friday (optional). Linda and Bob are hosting an hors d'oeuvre party 1700 hours Friday in the marina aboard Good Times. Bring a beverage and dish to share. Dinghy parking available.
4. On Saturday afternoon, 8/20, we will anchor off of Huntington Pier from 1200 to 1600 hours to view the Breitling air show from our boats then return to our slips at Marina Park or the DPYC Raft-Up in Newport Harbor. We have reservations for dinner together at the Lighthouse Restaurant at the Marina, 1900 hours Saturday evening.
5. Boats also participating in the Warriors on the Water event that begins at 1200 hours Sunday, should have plenty of time to travel to Dana Point Sunday morning to do so.
6. Sign up at cruise@dpyc.org or the bulletin board at the Horizon Bar. Let us know if you are: i) staying in the Marina or rafting up, ii) how many for dinner Saturday, and iii) Day of arrival.
